

Short CV

Tom Roberts, President Rentschler Biopharma Inc. and General Manager U.S.

Tom Roberts has an MBA from Indiana Wesleyan University and a BS in biology from Denison University in Ohio. Prior to joining Rentschler Biopharma, he was at Vitanova Biomedical, where he provided executive leadership, facilitated funding, and oversaw business and product development, regulatory compliance, manufacturing, and technology acquisition of a groundbreaking nanoparticle-based combination cancer therapeutic. Prior to this, he held leadership positions at Invictus Medical, 3M – KCI (formerly Acelyt) and Roche Diagnostics. He has overseen the development of an innovative technology from concept through to commercialization and has successfully strengthened, revitalized and grown businesses in several industry sectors. He is a committed cross-functional leader known for attracting, nurturing, and empowering diverse, skilled teams. Mr. Roberts joined Rentschler Biopharma in September 2023 as President Rentschler Biopharma Inc. and General Manager U.S., and is a member of the company's Extended Executive Team.
