

Short CV

Federico Pollano, Senior Vice President Business Development

Federico Pollano studied biology at Bielefeld University, and at the German Primate Center, Goettingen, Germany. Prior to joining Rentschler Biopharma, he was Global Director Contract Manufacturing and Business Development at Polpharma Biologics. While there, he established the CDMO business and was responsible for in- and out-licensing platform technologies, in addition to setting up a large-scale cell culture facility. Prior to his work at Polpharma, Federico Pollano was Managing Director at Richter-Helm-BioTec and Executive Manager Pharmaceuticals at Helm Pharmaceuticals, the generics business of Helm AG. Earlier in his career, he was Head of Business Development and Member of the Management Board of BioGeneriX AG and worked at Glaxo Wellcome GmbH for nearly ten years in positions of increasing responsibility. As Senior Vice President Business Development of Rentschler Biopharma SE, Federico Pollano has been responsible for made-to-measure client services since March 2018. As of February 2023, he has been a member of the Extended Executive Team.
