

## Short CV

Gunnar Voss von Dahlen, CFO

Gunnar Voss von Dahlen has over 17 years of experience as a CFO in internationally active, mid-sized private and public companies and has served in management positions, including roles in the US, UK, Singapore, and Switzerland. He brings valuable expertise in finance, controlling, law, IT, and human resource management. Prior to joining Rentschler Biopharma, he worked in interim management and CFO roles for well-known companies in various industries, which underwent transformation processes to optimize efficiency and profitability under his leadership. Before that, he served as the CFO of the Services division at Heidelberger Druckmaschinen AG, where he was instrumental in efficiency improvements. During his tenure at Gallus Ferd. Rueesch AG in Switzerland, he gained comprehensive experience in financial management and strategic planning for an internationally operating firm. This position followed a career at Heidelberger Druckmaschinen AG, where he held various key roles including Regional CFO for the Asia-Pacific region in Singapore and CFO of Heidelberg UK in London. He began his professional career at the consulting and auditing firm BDO International, with assignments in Frankfurt and Washington, DC. He has been Chief Financial Officer at Rentschler Biopharma since December 1, 2023, and serves as a member of the Management Board.
